

A grid of 24 light bulbs arranged in 3 rows and 8 columns. The background is a dark teal color. One light bulb, located in the third row and sixth column, is glowing with a bright white light, while the other 23 bulbs are unlit and appear as dark shapes against the background. The text "Social Media Shiny concept" is overlaid on the glowing bulb.

**Social Media Shiny  
concept**

# ***Background***

---

- **CoCoDaDa is entertainment company made to spread happiness and make families happier in their life and during their outings, the character of CoCoDaDa is an entrepreneur, creative cute and wild . He took the determination as way of life in his business .**
- **this is the first social media campaign during this corona virus and the main objective from this campaign is to give people hope to stay happy and stop sadness, so we will use CoCoDaDa character and Name taking to the worldwide most famous cartoon characters and fiction personalities to move them up on ground again and let them continue entertainment the world. CoCoDaDa is less famous than all of them but promising character that can change the world to be better place**
